

Summer Meeting at The Richmond GC

The SLCS Summer Meeting incorporating the Veterans' Trophies was held on 13th June at The Richmond Golf Club.

The venue was a popular choice and in order to accommodate all the applicants, it became a shotgun start at 9am allowing 21 groups to participate. Twenty six Surrey golf clubs were represented. Many thanks to the Committee members who were there bright and early to help with the set up. Suzie Gordon very kindly assisted Sara Brown with the ball raffle because Joyce Jarvis was unable to attend.

Thanks to Judy James who was the organiser of the meeting, to Caroline Adderley who sold merchandise before she played and Alex Jamison who was on the registration desk with Hazel Corstin. They also both went out to play. Initially there were 84 players but 3 withdrew because of illness and a hospital appointment. Kate McWilliam from Reigate Hill played at short notice and Hazel very kindly marked a card.

This did mean that after all the golfers had gone to their tees, there were only three of the Committee left! Thankfully our President, Tonie Quantell arrived with the golf balls at 10am. The raffle raised a wonderful £555 for our Battleback Charity.

The day remained dry and the ladies enjoyed the course and then an excellent 2 course lunch in the marquee with The Richmond also providing a muse bouche and flowers on the tables. The menu was corn fed chicken supreme with wild mushroom fricassee and baby leeks or a vegetarian risotto followed by chocolate coulant with raspberry sorbet.

The prizes were presented by our Captain Judy Searle and Tamsin Loke, President of The Society of past London Lady Captains and consisted on Marks and Spencer vouchers and plants. The winners of the Captain's Bowls and Veterans' Trophies also received a commemorative glass bowl.

Our thanks go to John Maguire, the General Manager of The Richmond, and all his staff who were most attentive and helpful throughout the whole day.
