

GOLDEN JUBILEE CLARET JUG

CUDDINGTON GOLF CLUB

Thursday 25th July 2024

The Golden Jubilee Claret Jug was played at Cuddington Golf Club on Thursday 25th July, just a week after the main event at Troon. At times I understand that some of the players thought the weather from there had followed them, but although it was wet at times it had stopped by the time the final groups finished. We had a good field of fifty six players from twenty two different clubs. A number of players used the event as a qualifier.

Sue Bower, our Vice Captain was the lead organiser. The Committee members all arrived really early, with Judy James and Pat McNeil on registration. Cordelia Lamont helped out with selling merchandise in the absence of Caroline Adderley. As always Joyce Jarvis and Sara Brown persuaded those taking part to contribute to the ball sweep in aid of Battleback, raising £295.

Once again the golf club staff were very attentive and most efficient in the serving of the excellent buffet. One member of staff even collected the sails and left them to dry out. We are very grateful to Deirdre Biggs, Cuddington's Lady Captain, who started the players on the first and then helped present the prizes. The winner was Sally Gesua, with Rosemary Kennett in second place.
