

AUTUMN MEETING

WINDLESHAM GOLF CLUB

Wednesday 11th September 2024

This was a fourball betterball Competition for the Founder's Salvors; played off 85% handicap, It started at noon off the first tee on a bright but windy day. All 40 players began their round with the welcoming presence of starter Rosemary Barton, Windlesham Club Captain, and later some unexpectedly ended theirs with a clap of thunder and a shower on the last few holes. Some players felt that the course was playing long and challenging owing to the weather but there were some outstanding scores topped by Josie Hennessy and Judith Nicoll, both now at Farnham, who had 43 points.

The staff at Windlesham were most helpful, including producing the score cards for the society, and entering the results at the end, well into the early evening. Unfortunately, because of the time, half a dozen ladies had to leave early, hence some missing photographs, but all are now in possession of their prizes.

The prizes were vouchers, displayed beautifully by Debbie Hardiman, with yellow roses and ribbons. Judy Searle and Rosemary Barton presented the prizes and Rosemary received an orchid from the Society.

Caroline Adderley was the organizer for this event, ably supported by other members of the Committee. The Windlesham ladies were very helpful with car parking and directing players in the club house and to the tees.

The Prize Table

Judith Nicoll receiving the Founder's Salver from
Rosemary Barton and Judy Searle
also on behalf of her playing partner, Josie Hennessy

Runners up Helen Murray and Enid Hughes
