

Spring Meeting held at Betchworth Park Golf Club Thursday, 1st May 2025

On the most beautiful, hot and sunny day, we had 56 ladies representing 24 different clubs playing for our Spring Meeting Trophy. This was a four ball better ball competition played off 85% handicap.

After initial frustration of updating ladies' handicaps, the day got off to a really good start, with Betchworth Women's Captain, Trish Winch and our President Gerry Ross welcoming the Ladies on the 1st and 10th tees.

Many thanks to the Committee members who, with a very early start, managed to cope well with the changes to cards, along with Joyce and Sara, who once again, did a sterling job with the ball sweep and raised £410. Thanks also to Hazel who stepped in as reserve.

All staff at Betchworth were most welcoming and helpful, ensuring we had everything we needed to make our day successful. A rolling hot/cold two course buffet lunch was exceptional with choices to suit all dietary needs. Prize giving started as soon as the last team had their main course, which kept the day flowing with very few ladies having to leave early.

Trish Winch very kindly gave her time to return and present the prizes along, with our Surrey Lady Captain Sue Bower. Prizes were John Lewis vouchers decorated with roses, which sadly wilted due to the heat of the day. However, all prize winners were very happy, and along with many other ladies, expressed their thanks for a very enjoyable day.

The day concluded with Sue presenting Trish with an Orchid, and thanking the Committee for the work put into a successful day.

Prizes were presented by Sue Bower and Trish Winch
