

The Golden Jubilee Claret Cup Report

Thursday 16th July 2026

Tyrrells Wood gave us all a very warm welcome. They were especially helpful when the local road works created difficulty in arriving at Tyrrells, with their Club Operations Assistant going out to direct Ladies in.

With only 33 Ladies playing, it was a disappointing entry number. However, after concerns as to the reason, it became apparent that Surrey Women had an event, at The New Zealand Club, on the same day, which accounted for the lower numbers.

That all being said it was a lovely day, although extremely hot, which received lots of positive feedback.

The course was very difficult to play, due to the extremely dry conditions, and rounds took much longer than usual, because of the roll on the ball, and the increased ball searching that was required.

The lunch was beautifully presented and very well received. The chef was extremely helpful in having to defer service due to the delays on the course.

Our first place winner, Jo Fitzmaurice from Dulwich & Sydenham Hill, was playing in her first SLCS meeting. Jo was delighted to be taking home the Claret Jug, which was presented by the Tyrrells Wood Women's Captain Carolyn Higgs, along with our Captain Clare Grigsby.

My thanks go to all the helpers of the day, and especially all the staff at Tyrrells, who made this a very successful, qualifying event.

Debbie Hardiman

Vice Captain

The Golden Jubilee Claret Cup Report

Thursday 16th July 2026
