

The Golden Jubilee Claret Cup Report

Wednesday 16th July 2025

Many thanks to Bramley Golf Club for a lovely day for our Claret Jug Individual Qualifying Stableford competition. Bramley Golf Club agreed to enter the competition on their system which meant that all the handicaps were automatically updated on the morning of the competition and cards were printed for everyone. A later start than other SLCS events which meant we did not need arrive until 8:30am to set up for the day.

Most people turned up in good time for their Tee off times, but some cut it fine due to their Sat Nav's taking them on a circuitous route. Some shuffling of the start times had to take place to give them breathing space.

My thanks go to Judy Searle who helped organise the day and the prize table and helped with registration along with Debbie Hardiman. Judy also helped me with flower arranging and the collecting the cards at the end of the round so that Bramley could enter them into the competition so all handicaps would be updated that evening. Judy was also the photographer at the prize giving.

Thanks to Gerry Ross and to Bramley's, Ladies Vice Captain, Elizabeth Campbell, who started everyone from the 1st and 10th Tees respectively. Elizabeth then came back to present the prizes once everyone was in and having lunch. Thank you also to Sue Bowers who oversaw everything that was happening and greeted all the players as they arrived. Thank you to Joyce Jarvis who had to do the ball sweep on her own as Sara Brown unfortunately could not be with us today. Also, a big thanks you to Caroline Adderley who brought the merchandise along then went off to play as a reserve. A lovely lunch was served from 3pm of quiche, smoked fish and salads followed by strawberries and cream.
