

AUTUMN NEWSLETTER

Well, we continue to be blessed with wonderful weather for our events this year.

We have held the Claret Jug in July with 60 ladies playing in our singles competition at Bramley GC. The winner this year was Barbara Dawkins from Hanley Common.

The Autumn meeting was played in September at Clandon Regis with a field of 54. The winners of this event were Viv Harris and Lorna Robey.

You can read more about these events and the matches on our website.

We have now played all of our inter county matches and again we were fortunate with the weather particularly the last match at the end of September against Sussex at Littlehampton which was contested on a brilliant sunny day with no wind on their lovely links course.

We recorded a win over Sussex and halved the matches with Kent and Hampshire having already lost against Berkshire back in the Spring.

We had 39 ladies playing in one or more of the matches including some new members.

The LOLAS lunch was held this week at Walton Heath GC. It was a very successful event with 27 in attendance and an excellent lunch after a short, interesting talk from Michael Mann the head green keeper at Walton Heath. Thanks go to Sara Brown for organising this event.

The season is nearly over with just the mixed invitation at New Zealand GC at the end of October to come. This year I am pleased to say that we have invited Jason Stevens from Battleback to play in this event with me. As you know we have supported Battleback for some years now with contributions from our ball sweeps.

I must thank my committee for all their hard work in making sure that all our events run smoothly making them enjoyable days for you all.

I wish you all well and hope that we continue to have some lovely autumnal weather to play in for the next few weeks.
