

**REPORT ON AUTUMN MEETING 2025**  
**HELD AT CLANDON REGIS GOLF CLUB, SEPTEMBER 25<sup>th</sup>, 2025**

This was a four ball better ball competition played off 85% handicap, start time 0900 off the first and tenth tees. 54 players plus one marker, Ellis Welland, were started on the first tee by President Gerry Ross and on the tenth tee by Cheryl Burnside, Ladies Vice-Captain of Clandon Regis. Most ladies arrived in very good time but one couple had their tee times swopped as they were stuck in a huge jam on the motorway. The day was bright and sunny with a chilly breeze. The course was in very good condition and had recovered well from the incredibly dry and hot summer but was still running well. The winning scores were very good with the first prize going to Vivien Harris and Lorna Robey of Roehampton with 39 points. They both won vouchers and a small bottle of wine as well as the Founder's Salvers and glass bowl mementos.

The staff at Clandon Regis were very helpful with the organisation and set up and were extremely accommodating with any request we had and were also able to give Judy Searle first aid for a nasty gash on her leg.

The food was very much enjoyed and was served on tables of eight so that everyone could help themselves and added to the conviviality of the occasion. The club gave the ladies with gluten intolerance a bowl of yoghurt and fresh berries in place of the Danish pastries served with the coffee on arrival.

The prizes were John Lewis vouchers beautifully displayed and decorated by Debbie Hardiman who also bought the wine and the flowers which looked really lovely. Sue Bower presented the prizes.

Merchandise was available to buy and the ball sweep raised donations for Battleback and the Captain's charity Ready. Thank you to Joyce and Sara for selling the tickets and doing the draw.

The organising team on the day was Hazel Corstin, Debbie Hardiman, Sue Bower hosting and also doing results, Alex Jamison on registration as well as playing. Ellis Welland on merchandise and as a card marker as one pair had to pull out due to sudden medical reasons, Gerry Ross starting and Sally Gesua who was also playing as a reserve with Alex.
