

# REPORT OF SLCS MIXED EVENT AT NEW ZEALAND GOLF CLUB

OCTOBER 21<sup>ST</sup> 2025

We had a maximum number of entries for this event (72), in fact it was oversubscribed with some ladies sending in their entries in January. A number of players were balloted out and a list of those who should be given preference for next year has been prepared. Two players also had to withdraw due to injury and have been included on the list. We had good (DRY!) weather and the rain kept off until everyone had finished and was in the clubhouse.

Sue Bower and I liaised with Charlie Summers at New Zealand and he printed the score cards for each couple as well as supplying blank cards for those who wanted them. There were a few problems with changes to handicap indices but using the [coursehandicap.co.uk](http://coursehandicap.co.uk) web site meant that adjustments were made at registration without too much fuss.

All the staff at New Zealand were very helpful on the day and the players were given coffee and bacon rolls on arrival. Egg rolls were provided for vegetarians and there was one gluten free request. Lunch started at 2.00pm and was a rolling carvery with desert and coffee and there were many compliments about the food.

The course was in good condition and preferred lies were in place. All three tees started at 9.00am and pace of play was good. All players were seated and lunching by 3.00 pm and prize giving commenced at around 3.45pm

Despite being one short the team worked tremendously hard and the day ran very smoothly. Clare and Lynne did registration Debbie prepared the prize table and sourced the wine for the raffle. Gerry, Hazel, Joyce and Clare did ball spotting, with Clare staying to the last on the 16<sup>th</sup> hole.

Prizes were vouchers presented in a decorated card along with a mini bottle of prosecco and a small bag of almond biscuits. The bottle raffle raised £645.00 (cost of wine £144.00). The winners were Sue Eggleton and Paul Searle with 41 points second and third places also had 41 points
