

SURREY LADY CAPTAINS' SOCIETY

SLCS v. BERKSHIRE

WOKING GOLF CLUB

Tuesday 14th April 2026

Woking played host to our first match of the season against Berkshire Lady Captains. There were 22 signed up for the match which gave me plenty of reserves to call on if need be.

Everyone managed to find their way to the Club without too much difficulty and the weather managed to stay dry for us although it did get a little chilly towards the end of the match.

After sandwiches in the main lounge, we all headed out to the putting green to try and master the Woking Greens. We had 8 pairs a side playing 4BBB and I'm happy to say that it resulted in a 4.5 – 3.5 win for SLCS. Several of the matches went to the 18th hole and all matches were played in good spirits.

We waited for everyone to come in before entering the dining room where we were served a plated meal of corn-fed chicken on a bed of wild mushroom risotto with tender stem broccoli. Followed by a selection of hot and cold desserts to suit all.
