

# SURREY LADY CAPTAINS' SOCIETY

**SLCS v. KENT**

**ROCHESTER & COBHAM PARK GOLF CLUB**

**Monday 7<sup>th</sup> September 2026**

Many Thanks to the 16 ladies that endured the M25 and played against Kent Lady Captains' at Rochester & Cobham Golf Club in East Kent. Luckily the M25 was flowing freely and everyone made it in good time. The weather was bright, a bit windy at times and a pleasant temperature for playing golf in the rolling Kent hills that used to be the Deer Park of 8th Earl of Darnley, of Cobham Hall in the early 1900's.

We enjoyed tea/coffee and pastries before going out. After the hot summer the course had recovered extremely well with grass on the fairways and although there was evidence of the recent maintenance work on the greens it all played very well. We were granted preferred lies at the last minute as they had started to scarify the fairways on the first few holes.

Unfortunately, Surrey lost the match 3.5 to 4.5 to Kent.

After golf we had a light supper of quiche and salad.

Many Thanks to all those who played and especially those that agreed to come along after a plea for more players was made and to the reserves for keeping the day free as we had to co-opt one at the last minute!
