

SURREY LADY CAPTAINS' SOCIETY

SLCS v. SUSSEX LADY CAPTAINS'

WOKING GOLF CLUB

Tuesday 29th September 2026

Woking played host to our last match of the season when we welcomed the Sussex Lady Captains for our annual match. The Sussex Lady Captain asked if they could bring 18 players to our match instead of the usual 16. It was touch and go whether the last pair would get in with any light remaining.

Having forecast thunderstorms for the day. 10 days ahead, the actual day was one of the warmest September days on record.

After sandwiches in the main lounge, we had 9 pairs a side playing 4BBB and I'm happy to say that it resulted in a 6.5 – 2.5 win for SLCS. Several of the matches went to the 18th hole and all matches were played in good spirits. The highlight being a Hole-In-One by one of the Surrey Captains, Susan Wakerley, on the 7th Hole.

We changed for dinner which was served in the dining room from 6:30pm on a rolling basis. We enjoyed Salmon en croute with baby new potatoes and tender stem broccoli. Followed by a selection of hot and cold desserts which were every much enjoyed. Everyone was very complimentary with regards to the catering and the welcome we were given.
